

## When we meet

We meet on the fourth Saturday of March, June and September as well as on the first Saturday of December. In June, we install our officers and enjoy a presentation by the newest Fellow of the Maine Lodge of Research.

We meet at the Bangor Masonic Center at 294 Union Street.

- Coffee & donuts from 8 to 9
- Meeting from 9 to 10
- Presentations from 10 to noon (or a bit later!)

Check our website for meeting date/time information:

### *You won't feel left out....*

Everyone begins their Masonic education as a novice with tons of questions. As time moves along, you'll find answers - and more questions. It's a never-ending quest but with like-minded Brothers, it's a VERY enjoyable journey. Come be a part of what Freemasonry is capable of teaching us!

# MAINE LODGE OF RESEARCH

Your chance to learn!

## Who We Are

Curious seekers of information and facts, we are a lodge of Freemasons from Maine and far beyond, seeking to enhance our understanding of Freemasonry and all the parts therein.

We meet quarterly and welcome new members and new ideas. In days filled with information overload, we seek to separate the wheat from the chaff and provide relevant Masonic educational experiences in a sharing environment..

## Our next generation...

New members bring new opportunities to examine our direction and to provide a responsive and relevant educational experience. We want to grow and change: we want you to be a part of that! At the Maine Lodge of Research, we all contribute as we are able, for the benefit and growth of all.

Whether it's a book review or a major research project, we're here to learn from and to help you in whatever direction your educational curiosity points. Join us and see!

## What We Do

Meeting quarterly in a casual format, members present papers on subjects of interest to them, lead discussions on various topics to enlighten and inform and share friendship and fraternity while catching up on new events in the Masonic world.

Our interests include many topics such as:

- History
- Symbolism
- Esotericism
- Jurisprudence

And much more!

## Come join us!

As Maine's Research Lodge for over 30 years, we have been honored with many great Masonic minds amongst our membership. You can be a part of this great tradition. Come to visit a meeting and stay for a lifetime of learning!
