Due to the worldwide Pandemic from Covid-19, Grand Master Mark Rustin suspended all Masonic work with the lodges on March 14, 2020. The annual communication was held with only the elected officers at the Grand Lodge Office in Holden, ME. It was streamed live on Facebook for the benefit of the craft.

Craft Banquet Monday Evening

The Craft Banquet was not held due to the Covid-19 pandemic.

The 201st Annual Communication

At the appropriate hour, the Grand Master conducted a ceremonial opening of the Grand Lodge in the conference room of the Grand Lodge office in Holden, Maine.

The Grand Master and his Officers opened the 201st Annual Communication of the Grand Lodge of Maine in Ample Form.

Most Worshipful Rustin invoked the presence and guidance of the Supreme Architect of the Universe during this Annual Communication.

Grand Master led the officers in the salute of our flag and the pledge of allegiance.

The Grand Master then put the lodge at rest and a live stream on the Grand Lodge Facebook page began so that the Brethren may watch the proceedings. The Grand Lodge remained at rest because the live stream was available to the public.

At St. Croix Lodge #46, Calais

February 3, 2020

By order of the Most Worshipful Grand Master:

Annual Address of the Grand Master

There was no formal annual address of the Grand Master. He greeted the Brethren on Facebook Live.

“We call this chartered first Annual Communication back to order. We are still at rest from the stand point of being a public meeting because we have some public things that we need and we are being joined by many of the Craft on Facebook live so this is now a public meeting because we do not know who is going to be watching online.”

Committee Reports were submitted but not read at this abbreviated Communication

Report of Masonic Jurisprudence

The duty of the Committee on Masonic Jurisprudence is to review the directives, dispensations and decisions of the Most Worshipful Grand Master, determine if they are in compliance with our Constitution, Standing Regulations and Digest of Decisions and recommend to the Craft at the Annual Communication whether or not they should be ratified.

DISPENSATIONS

The Committee on Masonic Jurisprudence reviewed 54 Dispensations which were approved by the Grand Master. There were 26 for the consumption of alcohol on Lodge premises, 6 for a change of venue for meetings, 2 to confer Degrees in a shortened time period for a member in the Armed Forces on Active Duty, 2 for outdoor degrees and 12 for wearing regalia in parades and other Masonic events.

All were deemed proper and within the prerogative of the Grand Master to grant and we unanimously recommend their approval.

On March 15th of this year, Grand Master Rustin issued a Declaration which shut down all Lodge activities. This Declaration would still be in effect as of May 5th, when a new Grand Master was installed. It was made as a result of a shutdown of all indoor public activities, except for those services deemed vital, by the Governor of the State of Maine, in response to the Corona Virus pandemic sweeping the state, country and the world.

It is the opinion of this Committee that this is an action within the authority of the Grand Master and absolutely correct, given this unprecedented event. We believe that when weighing the need for Brethren to meet and conduct business against the need for keeping Brethren safe, safety should always win out. We feel this action should be ratified.

Grand Master Rustin further ordered that there would be no gathering of Brethren for a Grand Lodge session in May, and a vote for all candidates would be by means of paper ballots be sent to each Lodge, Grand Lodge Officer and permanent members to be mailed to the Grand Secretary's office by May 1st. The Grand Lodge Session would officially open at the Grand Lodge Office in Holden by the Elected Grand Lodge Officers, at which time the ballots would be counted, and the new Grand Master and any other available officer would be installed. This would allow the proper transition from Grand Master Rustin, who has served the Craft for the two years allowed, to the newly elected Grand Master.

It is the opinion of this Committee that this also was an extraordinary action, outside of our Constitution, but certainly the correct action to be taken, given the need to follow public safety rules laid down by the Governor, as well as the safety of the Brethren of the State of Maine. We feel that this action should be ratified.

The Committee on Masonic Jurisprudence moves the acceptance of this Report and the adoption of the recommendations contained therein.

Respectfully submitted,

M.W. David A. Walker, Chairman

R.W. George M.A. Macdougall

R.W. Ronald W. Fowle

Report of the Committee on Amendments to the Constitution

The Committee on Amendments to the Constitution shall have referred to it all proposed amendments to the Constitutions and Standing Regulations entertained at Grand Lodge.

There is one proposal that was presented before Grand Lodge last year and voted to be held over until the next Grand Lodge session for either acceptance or rejection by vote of the Craft. There are also five new proposals for the Craft's consideration. The proposal presented before Grand Lodge last year will be considered first.

Considering Section 111 as it reads now SEC. 111 governs that: One Lodge cannot confer a degree at the request of another Lodge in this Grand Jurisdiction, unless the requesting Lodge waives jurisdiction and the other Lodge accepts the candidate in the usual manner and for its usual fee.

Proposed amendment to the Constitution:

Sec. 111.2 This provision may be waived, by dispensation from the Grand Master, in cases of special need. When the dispensation is granted, the Master and at least two other officers of the requesting Lodge must be present and participate in the degree.

Brother Walton reasons that it is unfortunate that some Lodges are struggling to survive. I am proposing this change to help those Lodges. Our other Masonic bodies have been doing this for many years. The Shrine, Scottish Rite and York Rite have been helping other valleys do degrees. This is not meant to have someone else do all the work for a Lodge but to assist a Lodge when a candidate has been waiting too long to progress when he is ready or because the Lodge is struggling to get officers and members to attend. I do not see a difference if we do degrees this way or have guest officers fill stations. Our goal should be to give a candidate the best and most meaningful degree we can give them. It is hard to retain new members when a Lodge has fewer members in attendance than a more active Lodge. We as a fraternity should keep the larger goal in mind. We should remember that we are taking good men and helping them make themselves better. These are Brother Walton's words.

The five new proposals put forth to the Craft shall be tabled by vote of the Craft until the next annual session of Grand Lodge.

First Proposal

It is proposed that Section 75.4 be amended to add the words: or transmit an electronic Certificate of Election using the current Grand Lodge membership database system,

Section 75.4 currently reads:

75.4 Immediately after the installation of the officers of a lodge, the Secretary shall return Official Forms 25 and 25a to the Grand Secretary, so that the records of all officers may be updated, and the lodge's statistical data collated for publication in the Grand Lodge Proceedings.

As amended, it would read:

Immediately after the installation of the officers of a lodge, the Secretary shall return Official Forms 25 (or transmit an electronic Certificate of Election using the current Grand Lodge membership database system), and 25a to the Grand Secretary, so that the records of all officers may be updated, and the lodge's statistical data collated for publication in the Grand Lodge Proceedings.

Second Proposal

It is proposed that Section 75.5 be struck from the Constitution.

Section 75.5 currently reads:

75.5 Each constituent lodge shall submit once in every four years a complete list of its members to the Grand Secretary, on numbered sheets provided by Grand Lodge, before the

first day of February 1984, and each four years thereafter. If such a list is not received by the above dates, a fine of ten dollars will be imposed upon that lodge and a fine of one dollar for each day the list is not received following the date of February first.

As we now, and have for many years, share a common computer database between the Grand Lodge office and the constituent lodges, there is no longer any need to verify member lists. This Section is outdated and no longer applicable.

Third Proposal

It is proposed that Section 92.1 be amended to replace the words bearing the seal of with the word from.

Section 92.1 currently reads in part:

The Master of the lodge may require of any Mason desirous of being examined for the purpose of visiting his lodge, the production of a Grand Lodge certificate or diploma, or a current receipt for annual dues bearing the seal of the lodge in which the visitor has membership;

As amended, it would read:

The Master of the lodge may require of any Mason desirous of being examined for the purpose of visiting his lodge, the production of a Grand Lodge certificate or diploma, or a current receipt for annual dues from the lodge in which the visitor has membership;

The new hard plastic dues cards do not bear a lodge seal.

Fourth Proposal

It is proposed that Section 30 be amended. Section 30c as follows:

(c) A dispensation for a Table lodge or ceremonial events prescribed by the Grand Bodies of appendant Masonic organizations shall not be required at this time but may be required at the discretion of the Grand Master. In any event, the lodge shall submit the signed statement of the proposed Grand Lodge Representative. The Grand Lodge Representative at each Table Lodge is authorized to intervene to assure that only two-ounce glasses are used and to personally intervene to halt dispensation of wine to any person more than the seven two-ounce toasts and to personally prevent any service of wine to a minor under any circumstances. Evidence of insurance coverage with respect to alcohol liability for Table Lodges or prescribed ceremonial events of Appendant Bodies is not be required by this Standing Regulation but may be required at the discretion of the Grand Master.

RATIONALE: York Rite Commandery has Christmas and Easter events, Scottish Rite has the Feast of the Tishri and Pascal Lamb, and the Red Cross of Constantine has a degree that use wine for toasts (often only by the officers or in very minimal

amounts) which in the past were held without opposition or need for a dispensation. With the issue of insurance coming up a couple years ago, a hard rule was understood that any use of liquor in a Masonic building or on Masonic property, except for a table lodge which exclusion is covered by the Grand Constitution, required a dispensation. This change would treat the ceremonial use of wine like a Table Lodge and not require special approval.

Fifth Proposal

In Sec. 2.1- Officers and Members - Rank and Title

It is proposed that the rank of Grand Marshal be changed from Worshipful to Right Worshipful.

Fraternally and respectfully submitted,

A. James Ross, Chairman

Jeffry A. Simonton

Patrick C. Whitney

All Constitutional Changes were postponed until such time the craft could meet in person.

Report on the Condition of the Fraternity

To the Most Worshipful Grand Lodge of Maine:

The Committee on Condition of the Fraternity has examined the reports of the District Deputy Grand Masters of the several districts that comprise this Grand Lodge. We have studied the information presented to us, but unfortunately find that ten of the twenty-four District Deputies did not file a report. Most of the Inspection forms were submitted, but no written report to detail the strengths and weaknesses of the lodges. What is contained in the Inspection reports is vital information but leaves a great deal to the imagination. This leaves this committee with a lack of important information in which to file a report with any accuracy.

We find the overall condition of Masonry in Maine to be Fair, but believe much work lies ahead. Many positive things are happening, but we are still struggling with the same problems ... many of which we have struggled with for several years.

Although ritual is a vital part of our Fraternity, this committee does not receive any information pertaining to ritual. With this lack of information, we suspect that lodges are doing fairly good ritual. This can be addressed with the Ritual Committee, but still leaves a huge hole in the Condition of the Fraternity.

It is apparent that most lodges are very involved in their communities and their work is making an impact on the members of the community. Although this activity is good and important to our future, we again caution lodges to not become a Service Club and that the work within the lodge is still the foundation of our Fraternity. If

the foundation becomes weak and fails, the building will collapse. We see that some lodges struggle to do business within the lodge but remain active out of the lodge.

Many lodges are struggling to stay afloat, if you may, and many of our problems are due to a lack of members. As the numbers decline, so declines the number of active members. In most lodges only a handful of brethren are active within the lodge. This puts a burden on those few and burn-out is a real possibility. It appears that in many lodges, even the officers are not attending the meetings. As the membership declines, so declines the base of brethren to choose new officers and the finances of the lodge are deeply affected. Again, this year, many lodges had no candidates, but are not utilizing the Grand Lodge resources to aid their lodge to success. Grand Lodge can only do so much!

According to the Grand Lodge Constitutions, lodges must meet a minimum of nine times. Unfortunately, this is not happening. If a Stated Meeting is called off for any reason, it must be made up. We find that some lodges cannot conduct business on their Stated Meetings due to a lack of a quorum. Three Master Masons make a Master Masons lodge and can open a meeting, but seven must be present to conduct business.

Although from this report, it is obvious we have many problems, but there are also many success stories. Many lodges are seeing new men come to the Fraternity. The chairs are full, the committees are busy and the excitement within the lodge becomes evident. This is due to hard work and dedication from more than a few. Congratulations to those lodges.

To the District Deputies that took the time to write a report, we say "Thank You Good and Faithful servant. The office of District Deputy is one of gratification if served well. You should always be able to look back and say, "I could have done more, but I ran out of time" and not be able to look back and say, "I could have done more, but I didn't try hard enough" or whatever excuse might sound good.

RECOMMENDATIONS:

We recommend that each district have and utilize a District Officers association. It is proven that strong and active districts also have strong and active Officer associations.

Fellowship nights are still a tried and proven tool to attract new men to the Fraternity. Every lodge should want new members. We recommend having a Fellowship Night once per year. Let Grand Lodge help you with this they have good men standing ready to help.

We also recommend each District hold a Ritual Challenge. This is a great way to work on your ritual, but also is a night of great fellowship. The districts that do hold these challenges are finding much success.

We recommend that the Inspection Reports contain more detailed information for this committee to use in determining the REAL Condition of the Fraternity. This is how we determine the successes and problems facing our great Fraternity today.

We recommend that the officers of the lodge make themselves familiar with the Constitutions and their own lodge by-laws. We suggest that they also become aware of the programs available to them and who to contact should they need help or guidance.

In closing, let us say thank you to all the District Deputies who have toiled in the vineyards and given their undaunted support to the lodges in their districts.

May your future in Masonry be bright and rewarding to yourselves as well as those around you.

To the brethren of Maine Masonry, we say Be positive, work hard and watch Maine Masonry grow and shine for all future generations to see.

Respectfully submitted,

Brian Paradis, Chairman

Kevin Kugell

David Eaton

Report of the Grand Historian

To the most worshipful Grand Lodge of Maine and brethren all,

May 5, 2020

Section 75.3 of the Constitution states – Not later than March 1st annually, each lodge in the Jurisdiction shall prepare its history for the preceding year. Permanent copies of which shall be on file with the lodge and Grand Lodge; provided, however, that any lodge whose annual meeting falls in the month of February shall have until April 1st of each year to comply with the above requirements.

Unfortunately due to COVID-19 restrictions the Committee on History has been unable to meet and review the 2019 history reports so we are also unable to determine a top 3 at this time. The hope is we will have this pandemic behind us soon so we can move forward with our lives as normal as possible and get our lodges reopened. As you all move forward with writing histories think about what you may include. Many lodges just give an overview of what took place at meetings throughout the year. Consider adding other gatherings and events you have participated in. Remember brethren 100 years in the future will be looking back to see what the lodges were doing. An often overlooked aspect in histories is talking about the brethren of your lodge. Who are they? What do they do to make your lodge special? Brethren please take advantage of this time of being home to try to catch up on past histories your lodge may owe.

At this time we have several lodges missing reports from the last 5 years.

2019 - 59
 2018 – 70
 2017 – 65
 2016 – 47
 2015 – 10

Brethren, let's try to get these done and submitted as soon as possible, because as we all know time, patience and perseverance will accomplish all things.

Thank you to all who have submitted histories and are in compliance with the constitution.

Fraternally Submitted,
 Eric K. Durgin, Grand Historian

Josiah Hayden Drummond Medal for Distinguished Service

Brother James R. May, Jr. RW Past District Deputy Grand Master

Brother James R. May, Jr. was born in NJ on January 7, 1944 to James Sr. and Francis May. In 1966 he graduated from the University of Maine, with a degree in forest management. On May 31st of that same year he was raised by his father, James R. May, Sr in Bethlehem Lodge #140, located in NJ. This Bethlehem Lodge #140 is now Phillipsburg Lodge #52. Upon graduation from the University of Maine, he started his career as a forester for International Paper Company in Aroostook County.

In 1968 he married Jackie Pelletier. They then moved to Clayton Lake where they would start their family, bringing Jennifer Ann into the world in 1970. In 1973 he went to work for Prentiss & Carlisle, Co., Inc and relocated to Ashland. In 1974 Jim and Jackie welcomed their second daughter, Jana-Lea, to their family.

Jim spent the next 30 plus years working and living in Ashland where he was active in his community serving on the town council, planning board, and an active member of the Union Congregational Church. In 2007 Jim and Jackie relocated to Mapleton, and in 2009 he retired from Prentiss & Carlisle.

Since retirement he has stayed busy working on woodworking projects and gardening. He's also an avid fly fisherman. Since retirement he has been able to spend a great deal of time fishing with family and friends, traveling to Alaska, Colorado, and Montana with his brother Bill. He has also become active in the Grant Memorial United Methodist Church in Presque Isle. The past four years he has traveled with the church to West Virginia on their annual mission trips. He is currently serving his 2nd term as a Commissioner for the Land Use Planning Commission. In 2018 he and Jackie celebrated 50 years of marriage.

On May 13, 1994, Jim affiliated with Pioneer Lodge #140 in Ashland where he held the positions of Treasurer, Junior Warder, Senior Warden, Master, Marshal, Widows' Program Coordinator, and is currently Chaplain. Jim has served the Grand Lodge as DDGM of the 1st Masonic District, Assistant Grand Lecturer, the Committee on the Condition of the Fraternity, Committee on Renewal and Revitalization, Commissioners of Trials, and the Committee on Finance as its current Chairman. Jim received his 50 Year Service Medal in 2016. Jim is also an active member of the Scottish Rite and York Rite Appendant Bodies.

As Chairman of the Committee on Finance since 2013, Jim has utilized all of his skill, knowledge, fraternal insights, and wisdom to balance the competing demands for increased Grand Lodge funding and frugality to the benefit of the Craft in Maine. By crafting a budget each year which meets the needs of the Grand Lodge, while recognizing the implications the budget has on the members of our Fraternity, his efforts have been highly successful.

On behalf of the Brothers of the Grand Lodge of Maine, it is my distinct honor and privilege to present RW Brother James R. May, Jr. this Josiah Hayden Drummond Medal for Distinguished service to Freemasonry in Maine.

Brother Elwood P. Doran, RW Past District Deputy Grand Master

Brother Elwood Patrick Doran was born in Rockland, Maine, March 6, 1958. His childhood years were spent between Lubec, Maine, where his parents were raised, and Rockland where his father was stationed as a Coast Guardsman. Elwood was educated in Rockland. He graduated from Rockland District High School in 1976. In school he excelled in Key Club, Senior Class Treasurer, chorus, football, tennis, basketball, track and field, and president of the Latin Club. Following high school, he travelled to California to take certification programs in music technology, learning and practicing on the newest musical instruments and sound equipment of the time. He continued his music studies and certifications which enabled him to learn the industry. For more than 30 years, he was manager and part owner of Northern Kingdom Music where he managed operations in four stores in Rockport, Bangor, Presque Isle and Turner. He is an accomplished musician playing in rock and country bands all his adult life. After retiring from the commercial music sales industry, he applied and was hired as a corporate manager with Can-Am Industries as general manager of Mount Kineo Golf Club on Moosehead Lake during the summer, where he also has a home with his wife Laurie. Elwood enjoys telling folks that he is, "living the dream".

Brother Doran resides with his wife of 35 years, Laurie Wentworth Doran, in Camden, and Mount Kineo, Moosehead Lake, Maine.

Brother Doran was

Initiated into St. Paul's Lodge #0082 in Rockport (now Federal Lodge #0006) in August 2004; Passed in October 2004; and Raised in November of 2004. He served as Master of St. Paul's Lodge from 2008 until 2010. He served the Grand Lodge as Grand Pursivant and as District Deputy Grand Master of the Seventh Masonic District. He is also a member of the AASRNMJ in the Valleys of Rockland and Portland.

Brother Doran is known throughout Masonic circles as an all-around good contributor of time and personal knowledge to many Lodges helping many Masons in times of need. He has helped to financially restructure several Lodges, and instilling pride in their existence. He is an accomplished ritualist, though humble about it, and knows the entire installation part which places him in high demand installing officers in his region. He freely gives of his time and resources to so many and asks nothing in return and takes pains to shun recognition for his goodwill. It is my honor and privilege to award the Simon Greenleaf Medal for Meritorious Service recognizing his contributions of time, thought, and services to Masonry beyond the usual line of duty to Brother Elwood Patrick Doran, RW PDDGM.

Report of the Committee on Finance

FOR THE FISCAL YEAR ENDING MARCH 31, 2020 AND BUDGET FOR THE 2021 FISCAL YEAR

Permanent Members and Constituent Lodges of this Grand Jurisdiction:

The attached summary of the proposed 2021 budget and the following information in this letter is provided for your review and comment prior to the annual communication on May 5, 2020.

In order to support the proposed operating budget for the coming fiscal year our committee finds it necessary to propose an increase in the per capita tax from \$14.10 to \$15.50. This is a ten percent increase which is allowed according to section 74.2 of the Grand Lodge Constitution. The per capita tax has not been increased since 2011, and we now find it necessary to propose the increase. In the last few years we have balanced the budget using appropriated but unused funds. Those surplus funds have been exhausted in prior years.

Included in the proposed budget is a three percent increase in salaries for the Grand Lodge staff, except for the Grand Secretary. As there will be a new Grand Secretary the proposed salary is at the level in the 2019 fiscal year.

Rent for the Grand Lodge office, which is one of the costs shared with the Charitable Foundation, will increase five percent according to the terms of the current lease.

Reductions have been made in following line items: Grand Masters expenses, Deputy GM expenses, Grand Secretary expenses and the amounts for Membership and MEALS committees. It is the consensus of the Committee and Grand Lodge officers that the proposed reductions are justified given the amounts actually used the last few years.

The new line item in the proposed budget is for health insurance for the three full time employees of Grand Lodge, the office staff and Grand Secretary. We are all aware of the importance of good health. Healthy employees are better employees. In today's world health care is expensive and employees who lack health insurance either go without needed health care, deprive themselves of other necessities or go into debt. Going without needed health care can complicate health issues and lead to lost time at work. Our Grand secretary has done considerable research on health insurance and has come up with a proposal to insure the three full time staff at a cost to Grand Lodge of \$28,543.

On the income side of the budget we are proposing, in addition the per capita increase, to use \$46,000 from investment funds to balance the budget. The \$46,000 represents a withdrawal of five percent of the rolling five-year average of total investments.

Total income is projected at \$294,650 after removing the assessments for the Maine Mason and George Washington Memorial. Total shared expenses with Charitable Foundation are budgeted at \$300,105, with the Foundations share being \$109,320. Other Grand Lodge expense totals \$24,700. The annual communication is projected to cost \$25,000. Grand Lodge officers expense comes in at \$29,000. Committee expenses are \$25,100. Grand Lodge total expense is estimated to be \$294,585.

Sincerely and Fraternaly,

Installation of Officers

Grand Master Rustin asked Grand Master elect Richard M. Nadeau to join him at the altar in the Grand Lodge office. Grand Master elect Nadeau then recited his obligation unprompted to the Brethren present and to those watching on the live stream. Grand Master Rustin then presented Grand Master elect Nadeau with the

jewels of his office and implement there of, addressing him and hailing him as the Most Worshipful Grand Master of Masons in Maine, offering his congratulations.

MW Nadeau thanked MW Rustin for his service and putting together this unprecedented communication to continue the work of Grand Lodge and its officers.

MW Nadeau then obligated Deputy Grand Master elect RW Daniel E. Bartlett. He then invested RW Bartlett with the jewel of his office charged him with his duties.

MW Nadeau then obligated the Grand Treasurer elect RW Scott Whytock. He then invested RW Whytock with the jewel of his office and charged him with his duties.

MW Nadeau then obligated the Grand Secretary elect RW Scott C. Walton. He then invested him with the jewel of his office and charged him with his duties.

MW Nadeau then presented MW Rustin with his Past Grand Master's jewel and pin. He thanked him for his service to the craft, congratulated him on the execution of his mission and leadership, and that he looked forward to working side by side with him for the benefit of the craft.

MW Nadeau then addressed the viewers on the Facebook livestream. "Brethren, friends and guests, who are joining us on Facebook live this morning. As you can see this is a significantly unorthodox way of doing business. Normally we would have all the pomp and circumstance and you truly could see our Past Grand Masters smile as well as my own. (All in attendance were wearing face masks as mandated by the State of Maine) We find ourselves in precarious times, however we also find ourselves with an opportunity. Adversity sometimes brings out the best and worst in humanity. I would like to think that as Masons, we have the opportunity to have an introspective look at ourselves, who we are, why we are and what we do. The tenants of our profession have never been more at the surface as they are now, Brotherly Love, Relief and Truth. When we say Brotherly Love, we don't only mean for the brethren in our Fraternity. We mean for humanity in general. With that, I ask you to please during these difficult times look out for your Brethren, their families, the members of your community, the members of your families and show them truly what Brotherly love is. Relief is something that we strive for on a regular basis. Now more than ever there are people across this planet who need relief. Sometimes relief comes in the form of a monetary item, most often it comes in the form of support. Brethren, reach out to your neighbors, reach out to your families and do the best you can to provide that particular relief that is so necessary right now. And truth, when you look introspectively, and you think what truth really is, answer these questions: In whom do you put your trust? What came you here to do? If you answer those questions truthfully, those answers and our Supreme Architect will guide us comfortably in this difficult time."

MW Nadeau then put the 201st Annual communication at recess until such time that the fraternity could meet in a large group and complete the work of the Grand

Lodge. (Current restrictions by the State of Maine prohibited large gatherings of any kind)

Deputy Grand Master

To the Most Worshipful Grand Lodge of Ancient Free and Accepted Masons of the state of Maine: Most Worshipful Grand Master, Permanent members, and Brethren all,

It has been an honor and a privilege to again serve as Deputy Grand Master for the last 12 months.

Shortly after Grand Lodge installation on May 3rd-4th, 2019, until the present, the Deputy Grand Master's calendar has been bustling. As Deputy, I have participated in and attended many Blue Lodge Installations, Awards nights, and other celebrations throughout the state. I was again thrilled to have the opportunity to represent the Grand Lodge of Maine at many events for The Order of the Eastern Star, Rainbow Assembly, DeMolay, Scottish Rite, Council of deliberation, and the Summer Ceremonial of Kora Temple. Of particular note was the NE Conference, which the Grand Lodge of Maine hosted. There were many positive comments from the visitors, which lets us know that all the planning efforts were worthy of the result.

Among the events of the year were re-dedication and consolidation ceremonies, which provided the needed inspiration towards new birth and continued life among the members of those lodges.

In February of 2020, I attended the North American Conference of Grand Masters in Louisville, KY. This conference was productive in terms of understanding the health of the fraternity and identifying some of the perceived shortcomings which seem to distract the progress of our craft at the individual level and up to the jurisdictional levels. One topic of particular and diverse understanding was that of the transgender issues that the lodges face. This specific topic generated much discussion and the realization that there is no one particular solution to the concern of many.

During the last 12 months, I have attended many of the 24 district meetings. The format for these meetings was left to the lodges with guidance toward our 200th-anniversary celebrations. Some were elaborate and some minimalistic. They were presented in this format in the hope of creating an all-important presence in the communities where the lodges reside. It was also very encouraging to see the participation in and enthusiasm for Masonry statewide as the lodges continue to take advantage of the many grand lodge programs and matching grants.

As chairman of the 200th Anniversary committee, I can report that the video presentation is nearing completion and is very impressive thus far. Our videographer, Mike Fawcett, still has a bit more work to get it done.

As this term ends, Lady Rachel and I wish to express our sincerest gratitude to Grand Master Mark E. Rustin and Lady Laverne for their friendship, guidance, and assistance, especially in the areas of Grand Lodge administration and future planning.

Brethren, thank you again for the honor of serving you. May God bless all of you and your families, and may God bless Freemasonry.

Respectfully submitted,

RW Richard M. Nadeau
Deputy Grand Master

RW Douglas A. Taft Sr
Senior Grand Warden

Junior Grand Warden

Let me first say that it has been a distinct pleasure to be elected to serve the Craft as Junior Grand Warden for the 2019 - 20 year.

My term started with quite a bang, I was asked by the Grand Master to be his personal representative at the Annual Communication of the Grand Lodge of Rhode Island on May 20 & 21, which I gratefully accepted. On the evening of May 17th I received a phone call from the Grand Master asking if I could attend the Annual Communication of the Grand Lodge of New Hampshire the next morning, as the Senior Grand Warden was ill and would not be able to make it. After a minute or two of thought and arranging the details, I gladly accepted the invitation, and along with my constant travelling companion Bro. Clifton Gagne attended the Annual Communication of the Grand Lodge of New Hampshire to represent the Grand Lodge of Maine and our Grand Master.

Throughout the year there have been several meetings of the Maine Masonic Charitable Foundation, in June the Advisory Committee met, and a meeting of the elected officers of the Grand Lodge took place on July 9.

On July 20th, I was honored with the duty of being the Grand Master's Representative at the Annual Conclave for the Order of DeMolay in Maine. If you have never attended a function with the DeMolay Boys, you don't know what you have missed. It was a wonderful evening spent with many intelligent and well-mannered young men and their advisors.

Beginning in August and stretching through the Fall, into the early months of 2020 there have been twenty-four district meetings held in this Grand Jurisdiction, of which, I was able to attend 13 of the District Meetings as well as many other events in this jurisdiction. Of the committees that I have sat on, there have been several meetings many of which I was able to attend either in person or by ZOOM web meeting. These meetings include The Maine Masonic Charitable Foundation, a meeting of the Advisory Committee, a meeting of the elected officers of the Grand Lodge and many others. The one committee that I was a member of and heard nothing from is the Committee on Masonic Youth, the chairman called NO meetings during the year.

I would like to close this report by thanking the Craft for allowing me to be their Junior Grand Warden. I would like to thank all those brethren who travelled with me from one end of this state to the other, as well as to the Jurisdictions of New Hampshire and Rhode Island; Wor. Richard Kimball, RW Meon Stephenson and most especially Bro. Clifton Gagne, my Brothers, I couldn't have done it without your friendship and support. It has been a fantastic year for me, and a fantastic year for Maine Masonry.

Respectfully Submitted,

Michael T. Kimball,

Grand Treasurer

Most Worshipful Mark E Rustin and the Grand Lodge of Maine

The 2019-2020 Masonic year saw many highlights for the office of the Grand Treasurer. The duties of the Grand Treasurer are again split fairly evenly between

the duties to the Grand Lodge of Maine and the Maine Masonic Charitable Foundation. The finances for the Foundation owned Holden Masonic Associates as well as the Maine Masonic College are also part of the responsibilities of this office.

Grand Lodge Budget: For the Grand Lodge of Maine, we once again saw a continued adherence to a well-crafted budget created by the Grand Lodge Finance Committee and related parties. The Finance Committee receives a monthly financial package with some commentary highlighting items of note for their review. The Finance Committee Chair and/or its members often have questions or points of clarification to ensure that the transactions processed are accurately understood and reflected. Operating adjustments due to the coronavirus outbreak won't be impactful for the 2019-2020 fiscal year.

Charitable Foundation Budget: The Foundation Finance Committee has again this year seen an increase in number and dollar value of all four matching grants offered by the Foundation showing that lodges appreciate the program and the opportunities to be involved with the needs of their communities. The popular Brotherhood Relief grant continues to grow as it has been made use of to give speedy \$500 relief to those in need. Masonic relief has seen roughly the same number of relief applications this year yet the distribution committee involved with relief has seen some very complex cases. Investment values climbed nicely until the financial reaction to the coronavirus. With budgeting for income being done on a 5 year rolling average, the Foundation's impact to income is hedged well. The Executive Director's success in fund raising has been substantial this year again. Her guidance and professionalism has been felt across the operations of the Foundation, including the financial end.

200th Anniversary: Preparations continue in anticipation of the 200th anniversary of the Grand Lodge of Maine. Challenge coin sales have slowed but do continue to come through as a way to fund the 200th celebrations across the state. These funds are held separately for accounting purposes for future spending for the 200th celebration with more fund raising to come.

Insurance: The insurance program through the Grand Lodge continues to expand. We're seeing more lodges who are finding cheaper and better coverage in this program than their old providers. We're also seeing quality brought to the system by ensuring that buildings are covered properly.

Investments: The 2019 calendar year was solidly profitable and investment balances increased nicely. Then we reached early 2020 and the coronavirus began to spread across the globe and economies have been shuttered and heavily impacted. At the time of this writing, we've seen unprecedented declines across the stock market and markets are trying to find a new normal from which to begin. Much of this potential for growth will be decided as the virus begins to slow and companies can begin to operate as they used to. It could be some time before that happens and the results remain to be seen. The Grand Lodge and Charitable Foundation investment funds

managed by HM Payson have been handled with the utmost care and skill. Investment committees for both entities have been continually pleased with the investment policies and performance relative to the major markets.

Maine Masonic College and Holden LLC: Prudent financial controls continue to be brought to each entity as they continue under the care of the Grand Treasurer. By incorporating these entities into the same reporting process as the Grand Lodge and Charitable Foundation, they all receive the same approval, warrant and transmittal system, budgeting, and general processing. Each organization continues to remain in a solid financial position.

Audit: Both the Grand Lodge of Maine and the Maine Masonic Charitable Foundation and their associated entities were audited by the accounting firm MacPage located in South Portland. Both organizations received a favorable audit result and highlighted suggestions have been considered by the Grand Treasurer and related Finance Committees. Each organization previously negotiated a three-year commitment between themselves and MacPage in an effort to obtain more favorable pricing. A new pricing contract will be reached with the audit company soon to enhance savings for both entities..

Respectfully submitted,

Rt. Wor. Scott Whytock
Grand Treasurer

Grand Secretary

To the Most Worshipful Grand Lodge of Maine:

I am pleased to report that we have completed another successful year of administering the business of our Grand Lodge office.

Some of the highlights from the office of the Grand Secretary during the 2019-2020 Masonic Year include a very successful Annual Communication at Anah Shrine Center in Bangor. We hosted the Northeast Conference of Grand Masters and Grand Secretaries in July 2019 and were joined by over 75 Masons and ladies from 16 Grand Jurisdictions from as far south as North Carolina and as far west as Michigan. We continued the maintenance and upgrade of our building by having the six columns replaced as well as installing a large Square and Compasses and the words "Grand Lodge of Maine Masons" on the building face. We also transitioned to hard plastic dues cards this year which will provide cost savings as well as another durable item acknowledging our 200th anniversary. As we approach our 2020

Annual Communication the office has been forced to shift gears due to the COVID-19 pandemic and Grand Master Rustin's Health Emergency Declaration suspending masonic activity. We will prepare, then ship out over 600 ballots to the voting members of the Grand Lodge to be returned and counted by the current elected officers on May 5, 2020.

All the work noted above was in addition to the everyday business we complete at the Grand Lodge office. MORI database management, diplomas and certificates, invoicing, interaction with other Grand Jurisdictions in regard to Certificates of Good Standing, administrative support of the Maine Masonic Charitable Foundation, the Maine Masonic College and Holden Masonic Associates LLC as well as being the place to call when you have a question about anything under the broad umbrella of Maine Masonry.

All of this is accomplished by four employees who diligently keep the business side of Grand Lodge running seamlessly despite unforeseen and unexpected challenges.

As I wrap up my tenure as Grand Secretary, it has been my distinct honor to serve first and foremost the Masons in the constituent lodges of Maine. Also, MW Bro. Thomas Pulkkinen, PGM and Grand Master Mark Rustin, both of whom trusted me to keep the Grand Lodge office inside the lines. I am deeply indebted to my co-workers; RW Bro. Scott Whytock, Mrs. Theresa Hatch and Ms. April Cruz, for their hard work, dedication and can-do spirit that has helped make the past four years a highlight of my professional working career. We have accomplished many positive things, struggled through challenges, supported each other in times of personal loss, celebrated successes and I am proud to call these fine people my friends.

Respectfully and Fraternaly,

Daniel E. Bartlett

Masonic College

To the Most Worshipful Grand Lodge of Maine:

The Maine Masonic College, like most of the Craft, was heavily impacted by the pandemic in 2020, particularly over the spring semester. At the beginning of summer, MW Mark Rustin stepped down as Chair of the Board and MW Wayne Hitchcock resigned his position on the Board. The College also suffered the loss of our esteemed faculty member Wayne Adams in July, and the eventual passing of former Chair of the Board, MW Mark Rustin in September.

Administratively the College had several changes, beginning with the departure of our long-time and indispensable secretary Theresa Hatch. The position of secretary remained vacant for the remainder of the year, until recently filled by the very capable Ashley Baillie. The Board resumed monthly meetings via Zoom commencing in August. At that meeting, Acting Chair VW Daniel Gaucher was voted to serve as Chair of the Board, and reappointed Bro. Luke Shorty to serve as Dean of the College. Nominations were opened for Vice Chair, and after a vote the position was filled by VW Christopher Howard. The Board currently consists of Brothers Doug Drown, Karl Furtado, Derrick Gittleman, Eric Kuntz, George Macdougall, Walter Macdougall, Donald McDougal and Douglas Taft. The Board will have one vacancy opening in 2021.

The College has maintained our external educational partnerships. In 2020, the MMC gave \$500 to the Planetarium at the University of Maine in Orono to support its ongoing educational endeavors. In addition, we donated \$2000 to support National History Day which benefits Middle School and High School students around the state. We even had the unique opportunity to buy the shirts for the state winners to wear at the Nationals in Maryland. Lastly, we gave \$1000 to purchase books for the Honors College at UMaine for their reading program which helps out university students.

Academically, previous to the lockdowns, the College had successfully held in-person classes in January and February, including “Curiosity As a Tool for Enriching One’s Life,” “Critical Thinking,” and “Jurisprudence.” This was in line with our annual goal of offering 24 courses, one every other week. Beginning with the lockdown of the State, courses previously scheduled for March were cancelled. This included cancellation of our annual Celebration of the Arts and Sciences in April, originally scheduled to take place at the Black Bear Inn and to focus on the topic of Rhetoric. As the lockdown continued longer than originally anticipated, the College continued to postpone courses and watch developments.

By mid-summer it was clear that in-person instruction would not be possible for an unspecified amount of time, so members of the Board of Regents familiarized themselves with virtual classes using Zoom and outlined a plan to return to active engagement by hosting the Maine Masonic College Convocation, in October, using this platform.

The 2020 Convocation was a continuation of the Civility theme that the College has been exploring for the last few years in past Convocations. Speakers included Jessica Harland-Jacobs, an Associate Professor of History at the University of

Florida, who teaches courses on modern Britain and the British Empire, Ireland, imperialism, and the Atlantic world. Her first book, *Builders of Empire: Freemasonry and British Imperialism, 1717-1927*, was published by the University of North Carolina Press in 2007. Also featured was Liam Riordan, a faculty member at UMaine Orono, where he is the Adelaide and Alan Bird Professor of History. He is a specialist on the American Revolution with a current research emphasis on Loyalists, those who opposed the Patriot movement. He has also done extensive research and community engagement work about the Maine statehood era and its bicentennial commemoration. Both speakers took attendees of the Convocation on a fascinating journey through history to examine the circumstances that led lodges to take root in the north Atlantic colonies and the reasons for Freemasonry's popularity in New England and the Canadian Maritimes during the eighteenth and early nineteenth centuries.

Citing the success of this first virtual event, the Board requested College faculty members to adjust their courses for online presentation to commence in January of 2021. As we enter this new year, the College is back on schedule having offered virtual courses in January, February and March at our normal pace of two per month. Many thanks to the faculty members who have pivoted under the circumstances. Using a digital platform has had the additional benefit of accessibility to Brethren who would never have been able to attend an MMC class in-person, including participants from Canada, the Bahamas and even India!

As the College moves forward into this new era, we seek to leverage these digital resources now at our hands, while maintaining those close fraternal bonds with our local Lodges. We look forward to meeting face to face as Brothers seeking knowledge. These new tools of social media for timely communications and announcements, virtual conferencing to increase our visibility and engagement, and streamlined administration via online document organization and management will only continue to make the College stronger and continue our role as a productive component of Maine Freemasonry.

Fraternally,

VW Daniel Gaucher

Committee on Doings of the Grand Lodge Officers

To the Most Worshipful Grand Lodge of Maine

The Committee on Doings of Grand Officers is charged with receiving, reviewing and reporting on the annual reports of the several officers of the Grand Lodge, including the District Deputies, Grand Treasurer, Grand Secretary, Grand Wardens, Deputy Grand Master and the Grand Master, all of this jurisdiction. It is a sincere honor of this Committee to fulfill this duty and report its findings for the 2019-2020 year.

This reporting year ended in the midst of the global COVID-19 pandemic, which dramatically changed masonic activity in this Grand jurisdiction and beyond. Per Grand Master Mark Rustin's declaration on March 15th, all masonic activity was suspended, due to the rising health crisis. This no doubt impacted the normal customs and traditions, procedures and processes, endeavored in our several lodges, districts and at Grand Lodge itself. As such, the usual reports typically received by this Committee were limited. As of this writing, the Committee has received reports from the Deputy Grand Master, the Grand Wardens, the Grand Secretary, and the Grand Treasurer. The Committee did not receive reports from any of the District Deputies, nor the Grand Master. Whether completed or not is unknown. Therefore the Committee will report on this information it does have.

Upon cursory review, it is obvious that each of the officers were busy, occupied with many Masonic endeavors and responsibilities in support of the Craft. This, of course, included the many official visitations of the 24 Districts around the state. It was noted that there were two consolidations that took place in the Grand jurisdiction. The Grand Officers travels also took them out of state, representing the Grand Lodge of Maine at the North American Conference of Grand Masters in Louisville, Ky, as well as the annual communications of the Grand Lodge of Rhode Island and the Grand Lodge of New Hampshire. Our Grand Officers are involved with several committees under the wings of the Grand Lodge, including the upcoming 200th Anniversary Committee, which seems to be coming along nicely. Other involvement noted participation in the Finance Committee, Grand Lodge Advisory Council, the Maine Masonic Charitable Foundation, Holden Masonic Associates, and the Maine Masonic College. Our brethren represented Grand Lodge at several other Masonic bodies as well, such as the Annual Conclave for the Order of DeMolay, the Order of the Eastern Star, Rainbow Assembly, Scottish Rite and the

Summer Ceremonial of Kora Temple. This year the Grand Lodge of Maine proudly served as host to the Northeast Conference of Grand Masters and Grand Secretaries in Bangor this past summer.

Strong use of the many grant opportunities made available through the Charitable Trust was reported by the Grand Treasurer, indicating how valuable these programs are to individual lodges. He also noted the good efforts of the Executive Director to raise funds for the Trust. Overall the financial health of the Grand Lodge and it's support operations appear to be in good order, with no issues reported, either by the Treasurer or the report of the independent auditors. However, concern for the long-term effect of the ongoing pandemic was mentioned.

The pandemic interrupted plans to convene the usual and customary traditions of the Annual Communication of the Grand Lodge of Maine. This resulted in a modified approach towards balloting and voting for candidates of Grand Lodge Officers, which appears to have been managed well by the Grand Secretary and the hard-working administrative staff.

Overall, the fine gentlemen that represented our Craft during the 2019-2020 year have been busy. Their dedication to our fraternity is evident and very much appreciated by this Committee, and by extension the brethren throughout this Grand Jurisdiction, especially during these turbulent and unprecedented times. Despite the challenging circumstances, they have diligently continued the important responsibilities of their offices. Masonry in Maine is better off for their unwavering service.

Committee on Ritual

To the Officers and Brethren of the Grand Lodge of Maine

The Ritual Committee had only one "suggestion" submitted for consideration by the committee during the year. That was a proposal that when the Chaplain goes to the Alter to offer his prayers, to avoid blocking the Master's view of the Sacred Book of Law, he should kneel on the West side of the alter facing East.

There seems to be nothing in the Old Charges describing the Chaplains duties other than opening & closing prayers, and nothing about his physical placement at any time.

The Authorized Ritual of the Grand Lodge of Maine adopted by vote of Grand Lodge May 5, 2010 has the following under number 5, General Instructions, Page 3: other than in Degree work "no one should be permitted to pass between the Alter and

the East.” That General Instruction number 5 uses the auxiliary verb “should” not “shall”. “Should” is a permissive form “Shall” is a mandatory form. The word “Pass” is used. The Chaplain does not “Pass” the Alter. He “Kneels” at the Alter. Looking at our Masonic histories and traditions, it seems that the Office has grown and has been governed by traditions that have developed over the centuries within different jurisdictions. In Maine it seems to be generally accepted that the Chaplain sits near the Master, offers prayers at Lodge Opening & Closing ceremonies , participates in each Degree by giving the Scripture Readings, and is generally responsible for the devotions of the Lodge and membership.

Unable to find any extensive written duties for the Chaplain nor his placement when engaged in those duties, the Committee unanimously decided to take no action on this suggestion. It was felt that something of this magnitude should be decided by a proper proposal to and vote of Grand Lodge at an Annual Communication.

Fraternally submitted,

Report of the Grand Lodge Audit

WIPFLI

To the Finance Committee
Grand Lodge of Maine Ancient Free and Accepted Masons
Holden, Maine

We have audited the financial statements of Grand Lodge of Maine Ancient Free and Accepted Masons (the Organization) for the year ended March 31, 2020, which were prepared on the modified cash basis of accounting, and have issued our report thereon, dated November 12, 2020. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you, dated July 1, 2020. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Organization are described in Note 1 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during the year ended March 31, 2020. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the fair values of financial instruments is based on management's evaluation of each type of instrument and the quoted market prices of each type. We evaluated the key factors and assumptions used to develop the fair values of each financial instrument in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of Investments in Note 3 to the financial statements, which has been formulated using fair values of investments from third party reports.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

To the Finance Committee
Grand Lodge of Maine Ancient Free and Accepted Masons
Page 2

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter, dated November 12, 2020.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements, or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the modified cash basis, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

In planning and performing our audit of the financial statements of Grand Lodge of Maine Ancient Free and Accepted Masons as of and for the year ended March 31, 2020 in accordance with auditing standards generally accepted in the United States of America, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

To the Finance Committee
Grand Lodge of Maine Ancient Free and Accepted Masons
Page 3

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

During our audit, we became aware of certain matters that are opportunities for strengthening internal controls and improving operating efficiency. Our observations and recommendations are summarized below for your consideration.

We noted during our review of the general ledger and through our cash disbursements work that the check sequences are not always in order or the check number assigned in QuickBooks to the disbursement does not agree to the actual check number on the cancelled check. We understand that lining up the checks when printing can sometimes create an issue and therefore result in a series of unusable checks. We suggest that the check sequences be tracked and checked by the finance committee so any checks out of sequence or missing can be identified and questioned accordingly. Any void checks should be defaced and saved with the bank statements. Blank checks held in the Holden office should be reported to the Finance Committee to ensure all blank check stock is accounted for.

This information is intended solely for the use of the Finance Committee, Board of Trustees, and management of Grand Lodge of Maine Ancient Free and Accepted Masons and is not intended to be, and should not be, used by anyone other than these specified parties.

Long Service Secretaries

Many of our Lodge Secretaries have given their Lodges years of dedicated service, often without recognition, only asking that the Lodge prosper and its members enjoy its fellowship. Their dedicated devotion to the Lodge and its members certainly merit the recognition given here. The following completed 15 or more years of service in 2020.
