Fred Ethan Allen, 70, Dies Suddenly At His Yarmouth Home

Special Despatch to The Press Herald

Yarmouth, Oct. 10. — Fred Ethen Allen, 70, who at the age of 13 went to sea, serving for many years on square-riggers and rising to the position of mate, was found dead in the kitchen of his home today by his wife, Mrs. Mildred Lane Allen, a teacher, on her return from school. Death was attributed by a physician to heart disease.

Mr. Allen was a native of this town, the son of William and Maria Gilmore Allen, and he retired from the sea about 10 years ago, having made voyages to many foreign ports during his career aboard ship.

He was a member of Casco Lodge of Masons, of Wescustogo Lodge, Knights of Pythias, has been for several years a District Deputy Grand Chancellor of District 10 and was a member of the Pythian degree team which in 1918 won the state championship. He was also a member of the Baptist Church and trustee of the church corporation and was a trustee of Riverside Cemetery.

Mr. Allen was twice married, his first wife being Miss Fannie L. Sawyer of Yarmouth, her death occurring several years ago. He leaves besides his wife, two daughters by the first marriage, Miss Gladys Allen of Portland and Mrs. Esther Brett of New York City, and a sister, Mrs. Ida Dalton of Groveland, Mass.

Funeral arrangements have not been completed.

as it resumed throughout Greater Portland today after the two-week holiday recess. Even colder was the reception the young scholars got from the weather.

After a fairly balmy weekend, with temperatures ranging up to an official 43 yesterday, today's chill was the more penetrating. There was slush in the streets at bedtime last night. Today it was monolithic ice. Gusts of wind up to 30 miles an hour made the temperatures — in the low teens — seem even lower.

FRED O. ALLEN

YARMOUTH—Fred O. Allen, 99, Yarmouth's oldest citizen, died yesterday in his home, 59 West Elm St.

A retired railroad man, Mr. Allen had been in failing health the past several weeks. But up until last year, he celebrated many birthdays by cutting the grass around the house with a hand scythe and chopping armfuls of firewood between greetings to well wishers.

He was the oldest member of the Knights of Pythias in Maine, becoming a charter member of Westcustogo Lodge in 1883. He was probably the oldest Mason in the state.

Mr. Allen was born July 22, 1859, at Pownal, son of the late Simeon J. and Ellen M. Newell Allen. He married the former Emma Marston of North Yarmouth in 1890. She died in 1950. Mr. Allen retired as a section hand for the Maine Central Railroad at the age of 78.

A Mason for more than 71 years, Mr. Allen received the order's 50-year jewel in 1938. He was a life member of Casco Lodge, AF&AM, of Yarmouth. He attended the Methodist Church of North Yarmouth and, until it closed, the Elm Street Methodist Church.

As the community's oldest citizen, Mr. Allen was the possessor of the Boston Post's gold-headed cane.

Surviving are a daughter, Mrs. Lucy A. Joy, with whom he made his home; two grandchildren, Mrs. Albert W. Spaulding Jr., Brentwood, N.H., and Albert A. Joy Jr., Milford, Conn.; six great-grandchildren and two nieces.

Funeral services will be at 2 p.m. tomorrow in the Lindquist Funeral Home, Yarmouth. The Rev. C. Weston Jones, pastor of the Peoples Methodist Church, Woodland, will officiate. A Masonic service, conducted by officers of Casco Lodge, will follow. Interment will be in Pine Grove Cemetery, North Yarmouth, in the spring.

Herbert I. Allen

Herbert I. Allen passed away Monday, Jan. 11, at his residence, 579 Congress Street, following several years of failing health.

From his position as principal of Deering High School in earlier years, his inventive genius led him into the field of electrochemistry in which he became internationally known to the scientific world as an authority in electrochemical research through his development of a pioneer electrolytic process used by the paper industry and the heavy chemical industry. He was at one time employed as consulting engineer for a local engineering firm, one notable achievement during that period being the devising and perfecting of the process for browning rifle barrels used today by the Winchester Repeating Arms Company.

He was president and treasurer of the Electron Chemical Co. and of the Allen Electrolytic Cell Corporation of this City, both of which corporations made use of his patented process for the production of chlorine and caustic soda by the electrolysis of salt.

Mr. Allen was trustee of the Portland Public Library and was greatly interested in this work, giving invaluable advice relating to scientific works added to the library. Until his health prohibited it, he was an active participant in the work of the Rotary Club and to certain other groups devoted to civic improvement. He was a graduate of Harvard College, and a member of the Masonic lodge.

His spirit of friendliness and sympathetic understanding endeared him to a great number of people and the lives of those who were privileged to know him as a friend have been greatly enriched by association with him.

A sister, Mrs. James L. Tryon, formerly of this City and wife of the well known writer and educator, is Mr. Allen's nearest surviving relative
