For 35 years a member of the drug firm of Bowditch and Webster, in which he was associated with Otis Webster, he became widely known in Maine.

Mr. Bowditch did considerable traveling in his younger days, and wrote extensively of his journeys in the Kennebec Journal under the name John Quill. He also was well known as an amateur cartoonist, and the walls of many his friends' homes display his drawings.

He was one of two men named many years ago to investigate the type of State Park which should be developed at Augusta, and took a trip through Massachusetts and Connecticut with Lewis Burleigh to obtain the original ideas on which the present park is based. The present park in front of the State House is regarded by many as a monument to the two men.

Many of his writings concerned Ocean Point, where he owned real estate, and the Kennebec River. He was for several years manager of the Augusta-Boothbay Harbor steamship line.

He was born at Augusta in 1853, the son of Horace and Olive Sawtelle Bowditch. Educated in the Augusta schools, he became a registered pharmacist when a young man. In 1914 he retired from the drug business and turned to real estate. The development of the lower State Street residential section was largely his work.

He was active as a Mason, belonging to the Augusta Lodge and taking part in its activities until about two years ago.

In 1909 he married Lucy Eveleth of Hallowell, who survives him. He is also survived by two daughters, Mrs. David L. McVickar of Cambridge, Mass., and Miss Ruth Bowditch of Boston, and a cousin, Mrs. Amanda Manson of Oakland.

Augusta, Dec. 10.—Horace E. Bowditch, a prominent druggist at Augusta for many years, and later active in real estate business, died at his home, 59 Grove Street, Saturday, at the age of 85. He had been ill only a short while.

He is survived by his wife, Alice, and two sisters, Mrs. Wallace T. Scott of Arlington, Mass., and Mrs. Edward T. Whitford of Cambridge, Mass.

Mr. Bowe has been prominent in Masonic circles locally and at the state level for many years. He was a member of Orient Lodge of Thomaston and Henry Knox Chapter. He was also a member of King Hiram Council, Claremont Commandery and Rockland Lodge of Perfection of which he was a

different color Master. He was a member of the White Federation. This is partly because Gyralcons are so rarely seen, and partly because they come in different colors.
