ment was hampering auto sales. Patman said he would not vote for extension of power to regulate credit unless terms were eased to approximately the level they will be when the new relaxations take effect.

The relaxation on consumer credit controls will take effect just one month after the reserve board eased credit for buyers of stocks, cutting the cash down payment on the latter from 75 to 50 per cent.

## Business Overseas by Germans

Houlton, April 22.—Supreme Court Justice Nathaniel Tompkins, 69, died suddenly at 1.45 p. m. today in the corridor of the Aroostook County Courthouse. Stricken as he was about to ascend the stairway leading to the Superior Court room, he sat down on a bench and the

Gladwin (R-Portland) shouted: "Are you going to be asinine enough to strike out \$2,000,000 for the poor?"

The two and a half per cent tax bill would have earmarked revenue for appropriations up to \$5,500,000. The rest would be distributed to cities and towns in proportion to the amount they pay the state in property taxes.

Chase asked the House to "nail down one corner" of the bill by endorsing it. Then, he said, as the bill progressed through the House (other corners being nailed down with each step) suitable amendments could be made.
